

FM 1 Sanitary Pads, Bulk Bagged

These feminine pads are available in five styles, three are shown here. All are individually wrapped and tri-folded. These feminine products are in approximately 300 lb wraps which are compressed to reduce the freight cost per unit. Our premium select seconds are comparable in usability to boxed merchandise but with greater freight savings. As wrapped goods, they qualify for the lowest customs rates. Currently, these are available when other baby diapers are ordered.
